PAIR YOUR WATCH

To pair your watch, launch the Hybrid application and touch the watch icon in the upper right corner of the screen. Press the pusher button on the left on your watch to turn on the Bluetooth, then press the “start” button in the app screen. Keep your watch close to your phone during the pairing process. You will be prompted to push the crown on your watch one more time to complete the pairing.

Then, follow the instructions to set up your goals and preferences.
